Dr. Lauris Kaldjian is the Director of the Program in Bioethics and Humanities in the Carver College of Medicine at the University of Iowa. Dr. Kaldjian is a professor in the Department of Internal Medicine and holds the Richard M. Caplan Chair in Biomedical Ethics and Medical Humanities.

Dr. Kaldjian’s research interests include goals of care in clinical decision making, the role of foundational beliefs and values in medical ethics, and ethics education—interests that are woven together in *Practicing Medicine and Ethics: Integrating Wisdom, Conscience, and Goals of Care*.

Dr. Kaldjian will discuss the ethics of shared decision making, which depend on respectful dialogue allowing patients and clinicians to discuss medical facts, beliefs and values leading to improved goals of care.
