

Bucksbaum Institute for Clinical Excellence Lecture Series 2016-17

Communication in Serious Illness: An Evidence-Based Approach

James A. Tulsky, MD, is the Chairman in the Department of Psychosocial Oncology and Palliative Care at the Dana-Farber Cancer Institute. Dr. Tulsky is also Chief of the Division of Palliative Medicine at

Brigham and Women's Hospital, Co-Director of the Harvard Medical School Center for Palliative Care, and Professor of Medicine at Harvard Medical School.

Dr. Tulsky has a longstanding interest in doctor-patient communication and quality of life in serious illness, and has published widely in these areas.

His current research focuses on the evaluation and enhancement of communication between oncologists and patients with advanced cancer. He is a founding Director of VitalTalk (www.vitaltalk.org).
